

DIGGING DEEPER

This Just In

List everything Jesus taught the woman (and us!) about worship.

JESUS ON WORSHIP

Take a second to put yourself in this woman's shoes. When she first encountered Jesus, she saw him as an ordinary Jew. But by the end of this scene, Jesus had revealed himself to her as the Messiah! In the meantime, Jesus taught the woman about two important spiritual concepts: his living water and true worship.

How would you describe the difference between the woman's mindset and the realm Jesus was talking about?

In what ways are you like this woman? What are some ways *physical* things distract you from *spiritual* things? List a few here:

1. _____

2. _____

3. _____

Read John 4:13-14 again. Jesus used his surroundings to explain a truth to the woman. What would Jesus use if he were explaining this same truth to a barista working in a Starbucks?
