Show and Tell

JOHN 13:31-35

What did Jesus command?

How are we supposed to love one another? To what degree (how much)?

What will happen if we obey this command?

CROSS-CHECKING

The Look of Love

Read the passages and write your responses to the questions below. (Heads-up: You won't find answers for each question in every verse.)

	What commands to love do you see?	To what degree (how much) are we supposed to love?	What results can we expect when we love this way?
1 Thessalonians 4:9-12			
1 John 4:10-16			

Think about your youth group (or your church or campus-ministry group). Can outsiders look at your love for the people in this group and know that you're Jesus' disciple?

Who in your student ministry have you not loved as Christ loved you? (Write their names in code if you need to.)

What did Christ do to show his love for his disciples?

Jesus told us to do as he did and to love as he loved. Whose feet do you need to wash?
