TAKING IT INWARD

Putting Truth to Work

Is there someone in your life who's depressed? Do you have a friend who has made a life-changing mistake? Is someone close to you experiencing challenging circumstances (with their health, their family, or a relationship)? Take a minute to write a note to that friend. In your own words, encourage them with the truth you just uncovered in Scripture. Be sure to tell them about the connection between God's power, Jesus' resurrection, and them.
